We welcome you to join us on a once-in-a-lifetime tour to explore Santorini's beauty and charm in the most elegant and relaxed way imaginable.

## The Deluxe Tour Santorini

**5-hour private santorini tour, either daytime starting at around 09:00 or sunset time starting at around 16:00 depending on sunset time**

The Deluxe Tour is a fantastic way to visit the most enchanting places on the island within few hours and it offers additional possibility of choosing either daytime or late afternoon for your excursion. You feel comfortable and safe all the time you are on the road in our exclusive and chauffeured car, always relaxed and taken care of.

The main point of the itinerary is Oia, where you will have 2 hours to explore this magnificent village the way you like. You can choose if you want to do it by day or at sunset time for even more impressive views of the island. We do not forget that Santorini is famous for its splendid wines and that is why we always take our clients for wine tasting combined with an informative tour. The whole winery visit takes only one hour but creates great mood for the rest of a day.
